

2020 St. Vrain Valley Gala Event Viewing Host

About: The St. Vrain Valley Gala is the signature event that benefits St. Vrain Valley Schools Education Foundation. This annual event brings together business and community partners to raise funds in support of students and teachers in St. Vrain Valley Schools. This year due to the current guidelines, we are transitioning our in person event to be a virtual event. During this event we will highlight the work the Education Foundation completes to fulfill our mission of Student Success and Teacher Excellence. We will host a *paddle raiser* to support our programs, and showcase our unique *silent auction* that includes baskets made by many of our schools in St. Vrain Valley School District.

When: Saturday, November 14, 2020

Why: Event viewing hosts are critical to the success of the St. Vrain Valley Gala. During the virtual event *we need your help* in inviting your network of friends, family or colleagues to commit to attending our event. As an event host we ask you to invite a minimum of 10 guests to our event and ask them to consider making a contribution to the *paddle raiser* or participating in the *silent auction*.

How you can support the St. Vrain Valley Gala:

- Invite a minimum of 10 guests to the virtual event
 - Host your guests at a small socially distanced gathering in your home the night of the Gala (please follow current guidelines from state and local health officials).
 - Guests can attend from the comfort of their own home.
 - If you are interested, coordinate food and drinks for the event viewing (not required).
- The Education Foundation will provide a toolkit for hosts to successfully share the work the foundation does with St. Vrain Valley Schools. Additionally, we will offer a pre-gala Zoom meeting for you to learn about the foundation and ask questions.
- Each Event Viewing Host will receive a special thank you gift from the Education Foundation.
