Only new members qualify for bonus. Membership eligibility and one-time $5 membership fee due at account opening.

*Limit one $250 promotional offer per new membership with account. Cannot be used in combination with any other consumer checking offer. This offer is only available to new consumer checking members affiliated with St. Vrain Valley School District. All existing Elevations checking members, including those with any relationship (including fiduciary) to any other Elevations checking account, or those who closed a checking account within the last 12 months, are not eligible. Elevations reserves the right to limit an individual to one account-related gift incentive per rolling 12-month period across all deposit account relationships. If multiple accounts are opened with the same signers, only one account will be eligible for the $250 bonus. Offer may be extended, modified, or discontinued at any time and may vary by market. Eligibility may be limited based on account ownership; limit one per account owner. The value of the reward will be reported on the appropriate Internal Revenue Service (IRS) forms and may be considered taxable income to you. Please consult your tax adviser regarding your specific situation. To receive the cash bonus, open any new Elevations Summit Dividend or Peak Perks Checking account. Member must have direct deposit(s) totaling $500 per month for two consecutive months following the open date of the account. All requirements must be met within 90 days of account opening. The cash bonus will be deposited into the new checking account within 30 days of the final qualifying requirement being met, and if the account opened is in good standing (i.e., is not overdrawn or at a zero balance). We reserve the right to substitute the bonus offered at any time with an item of similar value. The cash bonus can be revoked if the account is closed within twelve (12) months of opening date. Elevations Forever Buffs, Foothills Free Checking, and Buff One checking do not qualify for this offer. Offer expires November 30, 2026.

**Qualifying recurring deposits: Qualifying deposits are regular, periodic automated clearing house (ACH) credits, which may include payroll, salary, pension or government payments (such as Social Security). Deposits that DO NOT QUALIFY are those through the Real-Time Payments (RTP) network, payments through peer-to-peer networks such as PayPal, Zelle, Venmo or others, transfers from another Elevations deposit account, voided transactions, dividends, loan funding, adjustments, and micro-deposits (deposits typically less than $1 sent to your account to verify it is the correct account).

1 This bonus offer is not available to either (i) current cardmembers of this credit card, or (ii) previous cardmembers of this credit card who received a new cardmember bonus for this credit card within the last 24 months. To qualify and receive bonus, you must make Purchases totaling $1,000 or more during the first 90 days from account opening. (Purchases are classified as purchases for goods or services and do not include cash-like transactions such as money orders, cash advances, balance transfer checks to access your account or any gaming, gambling, or betting transactions.) After qualifying, please allow 6 to 8 weeks for bonus points to post to your account. To be eligible for this bonus offer, account must be open and not in default at the time of fulfillment. Unredeemed points expire three years from accrual date.

2 Peak Perks or Summit Dividend Checking account(s) must remain open with a positive balance to maintain checking Benefits. See Checking account information at ElevationsCU.ClubChecking.

3 GreenPath Financial Wellness is an independent third party.

4 Annual percentage rate (APR) stated requires opening a Peak Perks Checking or Summit Dividend Checking account before closing on the auto loan and maintaining eligible checking account for the life of the loan. Actual APR offered will be based on collateral and credit qualifications and may be higher than 5.24% APR. This is not an offer to lend. Membership required. Terms and conditions apply.

5 Interest accrues daily during the 90-day deferral period, even though no payments are required. That accrued interest is added to your total loan balance. Regular monthly payments begin after the deferral period ends. Understanding how it works helps you decide whether this option fits your financial plans.
